

# School Staff Needed for a Research Study about LGBTQ Students

**What's the purpose?** A University of Pittsburgh research study is investigating ways in which all high school staff members serve, support, and protect lesbian, gay, bisexual, transgender, and queer (LGBTQ) students. Your participation will help us to design and evaluate a new online e-learning intervention to improve school staff knowledge about, and skills for, supporting LGBTQ students.

**Am I eligible to participate?** Do you work in a United States high school? Do you want to talk about your experiences of working with LGBTQ youth? If you answered "yes" to these questions, you may be eligible to participate in our research study.

**What's involved?** One 60-minute interview via phone or Skype. As a thank you for your time, we will provide a \$25 gift card to Apple iTunes, Google Play, or Amazon.

**Where do I go to see if I am eligible?**
